Policy of the Board

1. It is the policy of the Waterloo Regional Police Services Board with respect to secure holsters and secure holster equipment that the Chief shall develop a procedure on the provision and use of a secure holster and secure holster equipment by the Service's police officers.
2. The Chief shall ensure officers are provided with a secure holster and secure holster equipment that is constructed to provide the level of protection that is necessary for the performance of their duties. The secure holster and secure holster equipment shall be constructed so that it:
 - a. inhibits the handgun from being drawn inadvertently;
 - b. inhibits the handgun from being withdrawn by an unauthorized person; and
 - c. permits the rapid unimpeded drawing of the handgun should it be required.
3. The Chief shall consult with the Equipment Review Committee regarding the acquisition of secure holsters and secure holster equipment.
